

# Marjory Kinnon School

## The Schools Sport Premium 2018-19

### **What is the Sports Premium?**

The Government is providing funding to schools to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools. There are five key outcomes. These are:

- 1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles (Play & Engage, C4L, five a day, walk to school....)**
- 2. the profile of PE and sport being raised across the school as a tool for whole school improvement (strategic development, leaders, transition phase support)**
- 3. increased confidence, knowledge and skills of all staff in teaching PE and sport (lesson support/mentoring, twilight CPD)**
- 4. broader experience of a range of sports and activities offered to all pupils (clubs wide variety of curriculum activities)**
- 5. increased participation in competitive sport (Intra & Inter)**

### **Purpose of funding**

Schools have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how they do this.

Possible uses for the funding include: hiring specialist PE teachers or qualified sports coaches, paying for professional development opportunities for sport, running sport competitions, or increasing participation in the school games, purchasing sports resources & equipment, providing places for pupils on after school sport clubs and holiday clubs.

### **How this funding is being used at Marjory Kinnon:**

#### **Self- Review & Quality Assurance: Measuring the impact of the funding**

- Monitoring of pupil progress through assessment in lessons
- Monitoring the attendance at clubs and sports events.
- Pupil voice
- Parent voice

## **Sports premium 2018-19**

The level of funding available for spending was **£16,830** and **this was supplemented by the schools budget**. Full details can be found in the sports premium plan. We spent the following:

Activity	Detail	Sports premium KO	Amount
Sports Impact	37.5% of the Sports Premium was spent on hiring Sports Impact; a not for profit organisation. Exact nature of support is provided in the plan below.	All	£6311.25
Horse riding	For named pupils to develop core stability and emotional stability.	KO 2,4	£1000
Core/Strength/balance		KO 1,4	£500
CPD for PE staff		KO 3,4	£2000
Breakfast and after school clubs		1	£2000
Range of equipment to broaden early years PE		all	£700
Duke of Edinburgh launch, registration and training		1,4	£5000

### **Impact**

The most significant impact has been on **KO1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles (Play & Engage, C4L, five a day, walk to school....)**

More students than ever are participating in regular physical activity. Since moving to the new school and with the funding available we are now offering a pre- school activity club we call the 'wide awake club'. This is mainly used by secondary independent travellers. We are also offering after school clubs 4 days a week and these are attended by both primary and secondary children.

Attendance is consistently

Secondary Wide awake club – 9 males, 5 females.

Early years PE lessons are now on the timetable taught by PE specialists.

### **Progress:**

100% of students made progress across 11 the key skill areas identified within the Create Wheel assessment scheme. Based on this analysis the areas which will be focused on next

year will be Static balance- seated (skill 2) and counter balance-pairs (skill 7). These involve development of core strength. This focus will be communicated to Occupational Therapists as part of a coordinated intervention approach.

### **Staffing:**

We are developing our staff to deliver more focused lessons that are assessed. Both our PE teachers have developed significantly over the last year and are now rated as consistently good or outstanding.

The decision has been taken to offer our PE staff to formalise their experience and training and we have now invested in £14,000 for registration to an undergraduate degree course for both.

### **Sports Leaders scheme:**

This scheme has proven to be particularly successful with 100% of the participants now regularly joining in with specific lessons and interventions for primary school students. 100% of respondents enjoyed the experience

Primary: 2 males, 0 female.

Secondary: 9 males 4 female.

All pupils in the sports leadership scheme prepared a skill/activity for lower primary students to learn in their practical PE lessons. By doing this will help our leaders gain a "play maker" leadership qualification.

### **Sports day participation**

Summer 2019 Primary: 100% upper primary students.

Summer 2019 Secondary: 100% pupils in secondary.

### **Competition participation**

- Year 5 & 6 sports day: 6 males, 2 females.
- Ruislip football: 12 males, 0 females.
