

At Richmond upon Thames College (RuTC) there are many exciting options available to you including a wide range of subjects and courses at a number of different levels, and many more than you are likely to find at any other college or school, as they offer A Levels, Vocational courses (BTEC and NVQs etc.) and Apprenticeships.

As well as the enormous choice of courses it provides, RuTC has even more to offer to prospective students with a strong student support team, a wide range of facilities and enrichment activities which allows you to fulfill your potential both in your studies and socially.

A few things Ofsted had to say about RuTC:

"The work with learners with learning difficulties is of high quality."

"Learners receive good careers advice and support with any welfare problems."

"The range of enrichment activities is wide and many learners benefit by taking part in them."

"Learners are courteous, well behaved and make a good contribution to the life of the College."

"The College provides a safe and welcoming environment."

"Equality and diversity are promoted very well by teachers during lessons and reviews."
