Marjory Kinnon is a special school for children and young people with moderate and severe learning difficulties, a high proportion of whom have a diagnosis of autism. Ofsted has judged the school as 'Good' with behaviour being judged as outstanding. We are very proud of what we have achieved to date at Marjory Kinnon and more importantly, we are proud of the pupils who learn and excel here.

In February 2018 we will be moving into a new £30m purpose built school, which will better meet the needs of our pupils and enhance their educational experience. We are a happy, friendly and supportive team of professionals, who are committed to raising standards through continuous development and enhancing the learning experiences of our pupils. We have very small class sizes (typically 6-8 pupils per class) with a high ratio of staff to pupils.

We are currently recruiting Relief Secondary Teaching Assistants to work with pupils in our Secondary department. We are looking for candidates who have knowledge of how to work alongside and support pupils with barriers to learning, both sensitively and creatively.

Marjory Kinnon School is committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers and external agencies to share this commitment. All applicants will be subject to DBS checks.

If shortlisted, you will be required to spend one full day in our school. You will be allocated to a class team for the day and an interview and skill test will also form part of the process.
