Is there any feedback you would like to give us, anything you would like to change?	My child is very happy and settled at school and I am very happy with the care/education he receives.									
	My child's teachers should keep up the good job. I am very pleased with my child's progress. I am convinced he is in good hands									
	We would like to thank all the staff in butterfly class for the continual support. Quite happy with the support he gets from this school.									
	I am very happy with education here in Marjory Kinnon. My child has achieved a lot in the years he has been here.									
	Generally the school keeps us updated on the progress of our daughter and in most cases she does come home with her homework over the weekend but I feel this should be regular.									
	The only issue I personally would raise is parking. However I do understand the matter is being looked at. I am very happy to walk away in the morning as I can see all gates being locked.									
	We would like to have more feedback from teachers where pupils cannot talk or communicate. Weekly newsletter to let us know what our children are studying and doing.									
	I really enjoy coming to the school and viewing progress including verbal meetings.									
	So glad my child has setteld into school well and made great progress since starting in September.
